

Freelance Technical Recruiter

We're Hiring: Freelance Technical Recruiter (Remote | Project-Based | USD)

Career Mint is looking to onboard an experienced **Freelance Technical Recruiter** to support ongoing and upcoming hiring projects for our global clients.

Engagement Model

- Freelance / Project-based
- Fully remote
- Flexible working hours
- Compensation in **USD** (per role / per project)

Experience Required

- **4–5 years** of hands-on technical recruitment experience

Key Responsibilities

- End-to-end recruitment for technical roles (Software, DevOps, Data, Engineering, etc.)
- Sourcing candidates via LinkedIn, job boards, referrals, and direct outreach
- Screening and shortlisting candidates against detailed JDs
- Coordinating interviews and managing candidate pipelines
- Delivering quality profiles within agreed timelines

What We're Looking For

- Strong understanding of technical roles and hiring markets
- Proven experience working with international clients
- Excellent sourcing and screening skills
- Ability to work independently with minimal supervision
- Strong communication and stakeholder management

Why Work With Us

- Work on diverse, international hiring projects
- No fixed hours — outcome-focused collaboration
- Long-term freelance potential for high performers
